

## Roster Additions

(Revised May 2020)

After the rosters close, new players may be added to the rosters of teams which have room between Oct.1 and March 31. **Captains are responsible for verifying that the player is eligible to play in their team's division.**

1. Players or captains may roster themselves online through RCRL.org (Top Dog Tennis link) or may submit this form (with a check made to *River City Racquet League*) to the RCRL Data Administrator who will then roster the player.
2. The captain must inform the Division Director and her fellow captains of the roster addition.
3. The player will be eligible to play 7 days after her addition to the roster.
